JUNIOR ELITE PROGRAM

ABOUT THE COURSE

Patrick School of the Arts (PSA) is a full time performing arts studio training Australia's next generation of performers. In 2008, we commenced the Elite Program training squad for young dancers aged 7-18 years who are driven to achieve something special out of their dancing.

Due to high demand, we now offer four squads:

- MacCorquodale Ages 7-12
- Scanlan, Years 8-10
- Davis, Years 10-11
- Dinardo, Year 12 ONLY

* Ages are taken as of January 1st 2026.

The Elite Program squads are a part-time training schedule specifically designed for young performing arts students who have dreams of developing their talent to one day working in the entertainment industry. This course acts as a bridge to the full- time courses run by PSA.

The Elite course is designed to create a fully rounded performer and covers all bases needed in today's industry, from every dance style to vocal coaching and acrobatics.

The Elite course extends a dancer's knowledge and technique to a new and higher level of training. With an emphasis on positive reinforcement and encouragement we aim to build a dancer's confidence as well as style and technique.

There are opportunities for the squad to attend auditions and perform through its association with the school's talent agency, Patrick Management. Each squad will also compete in at least one Eisteddfod as a troupe. We will announce at the beginning of each year which Eisteddfods we will be doing for the year so parents and students can lock in dates.

Students can also compete as soloists or as a duet. New solos/duos are generally taught in the term 1 holidays and weekly cleaning sessions are followed throughout the rest of the year. We have the best teachers offering their expertise and choreography to complement each dancer's own facility and style.

Whilst we encourage the dancers to compete in Eisteddfods, this is not the main focus of the year. There is a mid- year showcase, end of year dance showcases and the possibility of, other events throughout the year such as The Dance Cancer Initiative and VDF.

The school's Directors will guide the parents and students on how to achieve their dreams in a professional and educational environment that will cater to their unique needs.

Acceptance into the course is by audition in October or mid-year.

**This course is designed to create
a fully rounded performer.**

CLASSES

Classes are split over 3 days:

- Dinardo: Monday, Wednesday & Saturday
- Scanlan & Davis: Tuesday, Thursday & Saturday
- MacCorquodale: Monday, Wednesday & Saturday

This provides every other day off during the week in order to avoid over training and burnout. Several different teachers cover 8 different classes, styles and techniques. One night a week is devoted to troupe work where the focus is on performance and team work, led by our directors Todd Patrick and Amanda Stone. All other classes are focused on technique, strength and style.

COMMITMENT TO PSA

We are passionate about continuing to lift the standard and to do this we need to focus on attendance and commitment. Each parent and student will need to sign a contract agreeing to 95% attendance for classes and 100% attendance to all performances and dress rehearsals. Our philosophy at PSA is to not be a jack of all trades but a master at your chosen passion. Therefore, school musicals, Saturday and after school sport, long extended camps (longer than one week) and any amateur productions will not be accepted if they clash with PSA classes or performances. What we will encourage is students being a part of professional musicals and any employment opportunities through our agency.

We want PSA to provide an exclusive experience and the highest possible standard of training which can be provided if students and parents fully dedicate to the program. If you break the contract you will be asked to leave our program.
